## Message from the Co-Presidents

The school year is off and running. We were WOWed by the attendance at the September meeting, and if this is a sign of things to come, we are bubbling with excitement. For anyone who missed the September meeting, we had an amazing speaker from The Birthday Project. To read more about this amazing non-profit please visit <https://www.thebirthdaypartyproject.org/> We donated to the organization by providing gifts for kids and gift-wrapping supplies to the organization. We already have some sisters who have signed up to be a volunteer. What a way to step up to provide service!

Susan & Tonelli's Highlights: Ladies, I'm sure we all have been impacted by breast cancer. I'm inviting as many women as I can to this meeting because I feel this is such an important topic. My grandmother fought the good fight against breast cancer until 2006. Additionally, a former colleague and dear friend of Susan's and mine, fought the good fight against breast cancer until February of 2018. You can never have too much information regarding your breast health!

We are looking forward to seeing you at our October meeting. Our Co-Vice- Presidents have an exciting speaker coming to speak about breast cancer awareness. Dr. Beth Anglin is a premier breast cancer surgeon in the Plano area and will share with us information regarding breast health. Our October 4th meeting will be at Vines High School in room D109. The easiest way to this room is to enter through the west side doors (that face the fire station), take a left at the first hallway, and our room will be the second door on the right.

Let's reach out to our sisters that we haven't seen in a while!! Additionally, we encourage you to bring a friend with you to the meetings this year. Please consider recommending some of your friends/colleagues into this wonderful sisterhood.

Fall Quote: "The trees are about to show us how lovely it is to let things go."

Sincerely,  
Susan Hayes & Tonelli Hatley

# *Iota Omega Meeting* *April 12, 2018*

*Vines High School*

## **Agenda:**

### **1. CALL TO ORDER / WELCOME**

Susan Hayes called the meeting to order at 5:45 P.M. She introduced herself and Tonelli Hatley, co-presidents for the new biennium. They welcomed all members back for a new year after summer break.

### **2. INTRODUCTION OF GUESTS AND NEW MEMBERS**

Susan welcomed our new Mu Beta sisters, and they introduced themselves. Tonelli introduced two guests from Vines HS.

### **3. PROGRAM: "THE BIRTHDAY PARTY PROJECT"**

Susan Geddes introduced the guest speaker, Kimberly Neilsen, director of operations for the Birthday Party Project, a non-profit organization that holds monthly birthday parties for shelters and facilities that house families who are homeless, displaced, or in transition. The project began in Dallas but is now nationwide and growing. They have celebrated over 7,000 birthdays since 2012 and have hosted 45,000 children at these parties. Staff members and volunteers find that the parties sometimes result in helping attendees on a greater level. Chapter members brought birthday presents to donate to the organization, and if members are interested in volunteering to help with parties locally, they can visit the website [www.thebirthdaypartyproject.org](http://www.thebirthdaypartyproject.org).

### **4. BIRTHDAYS/ANNIVERSARIES**

Members who had August and September birthdays were announced, and members sang "Happy Birthday," as well as the Iota Omega Birthday Song in honor of our chapter's 43<sup>rd</sup> birthday. Linda recognized the following members for their anniversary years as members of Delta Kappa Gamma: Jeanette Robertson – 30 years, Linda Nelson -- 35 years, and Gerri Haggard – 40 years.

### **5. BUSINESS MEETING**

**MEETING MINUTES:** The minutes of the April 2018 meeting were sent to members via the electronic newsletter. A motion was made to accept the minutes as printed. The motion was seconded and approved.

**TREASURER'S REPORT/FINANCE:** The treasurer's report was posted electronically in the last newsletter. Jerry Cowan presented the current report and proposed budget to the members. The report showed that there was \$1296.69 in the Operating Fund and \$15269.53 in Restricted Funds, including the addition of funds from Mu Beta chapter. Jerry reminded members that remaining half-dues (\$55) should be paid this month.

**CONVENTION REPORTS:** Susan gave a report on the State Convention in Waco held in June 2018. Iota Omega won several awards this year: the Early Bird and Exemplary Yearbook Awards, a Five Star Newsletter Award, an Annie Award for our February "Understanding Chemotherapy and Chemo Kits" program, and an ASTEF grant of \$500 to provide meals for Journey of Hope. We also received recognitions for having a Society Compliant TSO Chapter Website, contributing to the Eula Lee Carter Memorial Fund, and making donations to ASTEF for scholarships. Next year's State Convention will be held in Arlington. JoAnn Brooks gave a report on the International Convention, held in Austin in July 2018. Austin hosted DKG members from all fifty states and sixteen countries, about 2000 members in all, including 600 from Texas. JoAnn read a poem, *Welcome to Texas*, which was written by DKG member Janye Brainard of El Paso, the unofficial poet laureate of TSO. There were many positive comments about the convention, the welcome cards, and the friendliness of Texas.

**AREA 9 WORKSHOP:** Members were reminded that the Area 9 Workshop will be held in Little Elm on September 15<sup>th</sup>. Registration and payment of \$12.00 can be turned in the Jerry Cowan. Susan will send out an email for those who want to carpool. Chapters with the most attendees will receive a prize.

**BY-LAWS AND RULES:** JoAnn highlighted a few of the changes and new amendments voted on at International Convention: 1. The name of Delta Kappa Gamma will not change. 2. Membership ceremonies will be called “inductions” rather than “initiations.” 3. Inductees must pay dues before being considered members. 4. College students in their last two years of study in the field of education are eligible for collegiate membership.

**COMMUNICATION / YEARBOOK:** JoAnn is our Yearbook coordinator. She informed members that we send out our yearbook electronically, and if anyone wants a paper copy, they need to order one from her and pay \$6.00. The deadline to order a paper copy is October 1<sup>st</sup>. This year we will merge the Iota Omega and Mu Beta yearbooks. Our Iota Omega website is currently down because we are going to use a different web application. Laurie Maddux and Susan Hayes are working on getting a new website up and running.

**OPEN POSITIONS:** Linda Miska announced that we need a parliamentarian, a photographer, and a chairperson for the Ceremonies Committee, so if anyone is interested in taking on one or more of these roles, let Susan or Tonelli know.

**PROGRAMS:** Trish Alway previewed the programs for this year. Topics include personal health, DKG technology updates, holiday projects and celebrations, information on “Love Packs” in schools to help fight hunger in our community, a visit to the Plano Art Center, and information on Journey of Hope.

**CORRESPONDENCE AND COURTESY:** Doris Johnson informed the members about the following correspondence: the chapter received a card from the daughter of Gwen Wilkins, a member who recently passed away, and JoAnn Brooks wrote a thank you note to the chapter for providing help, support, and a door prize at the International Convention. Doris also reported on the changes made by the Executive Board about hostess duties for meetings. The chapter will provide water and paper goods for each meeting. Members will be assigned to a group to bring snacks for one meeting and to be greeters. Doris will notify the groups ahead of time and the group chairman will have members sign up to bring something. We also ask members to sign up to bring a door prize to at least one meeting.

**LEGISLATION:** Linda Engelking, the chairwoman for the legislative committee and also legislative representative for Area 9, had voter registration cards available for members to use or give to others who are not registered, especially new teachers in our schools. She also encouraged members to stay informed on news of the upcoming elections and candidate platforms by reading information on websites and publications from ATPE, TSTA, League of Women Voters, and others.

**MEMBERSHIP:** Jody Lubbers and Pauline Sinnamon reported on membership. Members are asked to RSVP if they cannot attend a meeting and to wear their pins and badges. Information on purchasing pins and badges was distributed. Members who have not completed member profiles were asked to submit them electronically using a link in the newsletter. Members were given a flyer with instructions for Remind 101, a text notification app, if they would like to receive notifications from Iota Omega about meetings, etc. Linda Miska asked members to fill out prospective member cards for possible candidates. They will be invited to a new member orientation meeting on Thursday September 20<sup>th</sup>. They can decide if they want to join after the meeting. Candidates will also be invited to the October meeting. Voting will be electronic and the deadline is October 17<sup>th</sup>. Induction will be at the November meeting.

**ACHIEVEMENT AWARDS:** Linda Miska and Linda Fleming acknowledged Mary Pfeiffer and Donna Sewell for receiving the Members in Print award, and Susan Hayes and Tonelli Hatley received rose pins for their achievement as outstanding programs chairpersons last year and their continuing leadership in Iota Omega.

**GLOBAL AWARENESS:** Amy Rhodes announced that Brag Box donations will go to World Fellowship funds.

**SCHOLARSHIPS AND GRANTS-IN-AID:** (Personal and Professional Enrichment) Sue Stinson reported on the winners of last spring's grants-in-aid. She reminded members that one of our grants went to a paraprofessional.

**SERVICE PROJECTS:** Tonelli reported on service projects. We have adopted Isaacs Early Childhood Center

as our school to support this year. The principal at Isaacs has given us some ideas on ways we can help. JoAnn gave a short introduction on Journey of Hope for our new members. We support this 20-year-old non-profit organization that helps children who are dealing with the death of a close loved one. North Texas Giving Day is September 20<sup>th</sup>, and Journey of Hope could use our support. This year's JOH Golf Tournament will be held on October 2<sup>nd</sup> at Canyon Creek Country Club and they are looking for both golfers and volunteers to help. We also won an ASTEF grant again this year for \$500 to provide meals for JOH meetings. See JoAnn for more information on volunteering. There will be other projects that accompany our programs this year as well.

**OLD BUSINESS:** There was no old business this month.

**NEW BUSINESS:**

- Jerry Cowan handed out the proposed budget for 2018-2019 for members to consider. There was no vote on the budget at this meeting.
- Susan Hayes explained the Executive Board's decision to move induction to the fall so that new members can fully participate in the year's meetings and activities. The Board also decided to waive the chapter portion of the dues for their first year. This allows new members to pay a reduced rate of \$61 to cover state and international dues when inducted in November, and then they will pay regular full dues beginning the following spring with the rest of the membership. This will help new members financially since they will have to pay dues the following spring for the coming year.

**ANNOUNCEMENTS:**

- Tonelli announced that Dooley Elementary needs volunteers to be "Dragon Buddies" with their students. Contact Tonelli for more information.
- Pauline Sinnamon announced that the Texas French Symposium will be held at PESH on March 22-23, 2019, and they need judges. Even if you don't speak French, you can help with the art and music categories. See Pauline for more information.
- A memorial ceremony will be held for Gwen Wilkins and Diane York at the October meeting. Talk to Linda Miska if you knew either of these ladies and could help with the ceremony.
- The Iota Omega website is coming soon! Look for [www.iotaomegatxdkg.com](http://www.iotaomegatxdkg.com) in the next few months.
- Members can also follow our chapter on Facebook: ***Iota Omega DKG - Texas***

**6. ADJOURNMENT** – Door prizes were awarded. The meeting adjourned at 7:30 P.M.

## Legislation Committee

Linda Engelking, chairman

I hope that you are having a good beginning to the school year and talking to your fellow staff members about the importance of being informed voters since we have a mid-term election on November 6<sup>th</sup>. It is important to research and know the candidates and to identify those who are education friendly. The officials that we vote on in this election will determine whether our guaranteed Defined Benefit Pension is preserved or if they will begin all new teachers with a Defined Contribution pension plan where the individual decides what to do with the dollars given for their retirement. If this plan passes, it would mean that no further dollars would go into TRS for the retirement annuities and eventually the current pension fund would become depleted. The people elected as representatives, senators, governor, and Lt. governor in this election will also determine if we have affordable health insurance. These same people will also have the power to decide how

much to fund public schools, how much to rely on standardized testing, whether to use A-F ratings, how grades are determined, how much to fund teacher pay and retirement, and whether to invest in our schools or privatize them. It is very important that you take this election seriously and that you take the time to know the candidates and to vote. Bad politicians are elected by good people who don't vote. Remember that you have the most power on Election Day, but only if you vote!

#### Important Dates...

Last Day to Register to Vote in the November Election: October 9<sup>th</sup>

Early Voting is Monday, October 22<sup>nd</sup> through Friday, November 2<sup>nd</sup>

Ballots by Mail, for age 65 and older, must be received by Election Day, November 6<sup>th</sup>

Election Day: Tuesday, November 6<sup>th</sup>
